CHURCH PLANTING MISSIONARIES TO ECUADOR  
KASON, BETHANY, JAXON, NOAH

Dear Friends and Prayer Partners,

We started the month of November with a special service during our midweek service, where we had a traditional drink called Colada Morada and some bread shaped like babies called Guaguas de pan. There were over fifty people there for the midweek service!

We also had a special youth event at a park where we rented a soccer field and had a service. Several new teenagers came from the park and heard the Gospel!

On the third Sunday in November, we met before the service to discuss some of our goals and plans for 2024. We are asking more people to get involved in the church's ministries. Please pray for the different ministries of the church and that more people will get involved in serving.

Praise The Lord, things are advancing with the construction of the new church building. The roof and walls are up. We now will need to finish the flooring, painting, lighting, windows, and doors, as well as the outside areas of the church. We will need approximately ten thousand dollars to finish these areas. Please prayerfully consider giving towards this need.

If you would like to give, you can give online or send a check to

And put Blooms in Ecuador - Special projects.

Thank you so much for your prayers and support! Because of the many different churches and individuals who give and pray for us, we can serve here in Ecuador, and we are very grateful for that!

God Bless, The Blooms
